QUESTIONS AND ANSWERS

1. **Q.** Will WSF consider extending the Bid submittal date? Less than two (2) weeks have been allowed to bid this package.

 A. Please see the revisions to the IFB Schedule and the Bidder Instructions in this IFB Addendum.

2. Q. [IFB Technical Specifications, Item 14, Towing of Vessel] Item 14 in the Technical Specifications instructs the bidder to tow the vessel to and from Eagle Harbor. Section 2 of the Special Provisions states that WSF shall deliver and take redelivery of the Vessel at the Contractor's facility within normal working hours.

1. Since the performance period is of very short duration, during what time will WSF allow the successful bidder to pick-up and redeliver the Vessel at Eagle Harbor?

A. Vessel Delivery and Redelivery shall take place at Eagle Harbor due to the towing requirements. See the revision to the IFB Special Provisions in this IFB Addendum.

The Contractor may pick-up and return the Vessel from / to Eagle Harbor during normal working hours on a schedule to be coordinated in advance with WSF.
